

PASTOR JOHN W. GUNN

John W. Gunn is the Founder and Executive Director of The Power Company Kids Club.

John has served as Senior Pastor of two churches over a 24-year period and has been extensively involved in overseas evangelistic ministry and church planting. Feeling compelled

to evangelize the children and people of the inner cities of America, John resigned the pastorate in order to devote himself to rescuing the upcoming generation. John lives in the midst of the community in which he ministers. Drugs, violence, alcoholism, poverty, prostitution, and marauding gangs are a way of life where he lives and works.

Throughout the years and still today, John drives his own bus route and visits hundreds of children in their homes each week. John leads the weekly ministry, teaches the lessons, mentors the staff and develops and leads the sidewalk ministry teams on the streets.

Today, with the help of dedicated staff, trucks equipped for ministry on the streets, and a fleet of buses, he is reaching out to thousands of children and their families each week with the Gospel of Jesus Christ. John travels on Sundays speaking in churches throughout America sharing his heart for rescuing the at-risk children of our nation's cities.

John and his wife, Michele were married for 39 years, before her homegoing. They have three grown children and ten grandchildren.
